

Curriculum Vitae

Name	Julajak Limsrivilai	
Country	Thailand	
Organization	Siriraj Hospital Mahidol university	
Current Position	Assistant Professor	

Educational Background

Thailand Medical Licensure No. 29922, March 2003
 Thai Board of Internal Medicine, June 2009
 Thai Board of Gastroenterology Fellowship, June 2011
 IBD Research Fellowship, University of Michigan
 Master Degree in Clinical Research Design and Statistical Analysis, University of Michigan

Professional Experience

Dr. Julajak Limsrivilai graduated M.D. with 1st honor degree from Faculty of Medicine, Siriraj Hospital, Mahidol university, Bangkok, Thailand in 2003. He also completed his residency in internal medicine and his fellowship in gastroenterology at the same institute in 2009 and 2011, respectively. Afterwards, he won Anandamahidol scholarship award from the King of Thailand and went to do his research fellowship program with Prof. Peter Higgins, director of IBD unit, University of Michigan during 2015 to 2017 and earned Master's degree of science in Clinical Research Design and Statistical Analysis at University of Michigan.

His field of interests is inflammatory bowel disease, diarrhea and malabsorption, and small bowel bleeding. He has published some articles in high impact factor gastrointestinal journals including the meta-analysis in differentiating intestinal tuberculosis and Crohn's disease - an important problem in Asia - in The American Journal of Gastroenterology in 2017.

Professional Organizations

Siriraj Hospital, Mahidol University, Bangkok, Thailand

Main Scientific Publications

1. Meta-Analytic Bayesian Model for Differentiating Intestinal Tuberculosis from Crohn's Disease. Limsrivilai J, Shreiner AB, Pongpaibul A, Laohapand C, Boonanuwat R, Pausawasdi N, Pongprasobchai S, Manatsathit S, Higgins PD. Am J Gastroenterol. 2017 Jan 3.
2. Factors That Predict High Health Care Utilization and Costs for Patients with Inflammatory Bowel Diseases. Limsrivilai J, Stidham RW, Govani SM, Waljee AK, Huang W, Higgins PD. Clin Gastroenterol Hepatol. 2016 Sep 17. pii: S1542-3565(16)30669-3.
